

UNCONTROLLED DOGS IN THE DESERT INCIDENT REPORT FORM

There are reports that feral and free-roaming dogs may be causing problems to human health/safety and wildlife in the California Deserts. It is requested that individuals who encounter these dogs in the desert respond to the questions below, leaving those questions blank for which they are uncertain of the answer. Additional copies of this form are available at www.dmg.gov/. Please mail completed incident report questionnaire to:

Glenn Black, Senior Environmental Scientist
Calif. Dept. of Fish & Game
3602 Inland Empire Blvd, Suite C – 220
Ontario, CA 91764-4913
